

"PLEASE REMEMBER THE PISTE X CODE WHEN YOU'RE ON THE MOUNTAIN TODAY!"

The **Piste X Code** aims to make us all more considerate on the mountain, avoiding accidents and keeping each other safe. This is a community initiative for Morzine, Les Gets and Avoriaz supported by local businesses.

STOP • LOOK • SLIDE

❌ SKI AND SNOWBOARD WITHIN YOUR ABILITY
Control your speed, avoid other mountain users.

❌ CONSIDER YOUR CHOICE OF PATH
The downhill skier or snowboarder always has the right of way. It's your responsibility to avoid them. Leave space while passing.

❌ THINK ABOUT WHERE YOU'LL STOP
Always at the side of the piste, never in the middle! And never beneath the brow of a hill.

❌ BE AWARE OF YOUR SURROUNDINGS
Look up and down the slope before you set off or re-join the piste.

❌ SET A GOOD EXAMPLE FOR CHILDREN
Teach children about piste safety and the importance of the Piste X Code.

❌ RESPECT PISTE SIGNS AND MARKINGS
If a piste is closed, it's closed for your safety. Watch for signs advising you to slow down.

❌ YOUR ROLE IF THERE'S AN ACCIDENT
You are duty bound to assist. Cross your skis upright in the snow above the incident and call 112.

❌ WHAT ELSE CAN YOU DO?
Be sensible with your alcohol consumption, don't listen to music on the pistes and never use ski apps that challenge your speed.
